

## **Substitute Teaching at Spring Valley School**

Please contact Donell McCurdy at [dmccurdy@springvalleyschool.org](mailto:dmccurdy@springvalleyschool.org) to inquire about current openings.

### **Overview:**

Spring Valley School (SVS) provides a learning space for students, grades K-12, with learning differences (such as Dyslexia, Dyscalculia, and Dysgraphia) to unlock and embrace their unmatched potential in and beyond the classroom. Classrooms are an average student-to-teacher ratio of 6:1 and incorporate multi-sensory instruction to accommodate a variety of learning strengths.

When a teacher has a planned or unplanned absence, we rely on skilled substitute teachers to fill in. We are currently looking for engaging, reliable substitute teachers for classes at all grade and subject levels. The ideal candidate will have the ability to lead classrooms effectively and adhere to the teachers lesson plan. Qualified and successful substitutes can count on consistent work throughout the school year.

### **Objectives:**

- Be flexible and available on short notice to accept assignments
- Execute lesson plans consistent with teacher instruction
- Maintain an orderly and positive classroom environment
- Become familiar with school emergency procedures (i.e., fire/tornado/lock down)
- Adhere to school policies and procedures
- Take attendance according to school procedures

### **Qualifications:**

- Graduated from an accredited college or university
- General competency in subject matter
- Confidence and proficiency in giving instruction
- Proficient computer skills (Google Suite experience is a plus)
- Excellent written and verbal communication skills
- Well-organized and reliable self-starter
- Strategically manages time
- Ability to pass a background check
